**INTERNATIONAL DAY OF PRAYER**  
FOR PERSECUTED CHRISTIANS

Christian children are persecuted for bearing witness to Christ.

# PRAY...

---

...that God will give  
courage and strength  
to our youngest  
brothers and sisters.

Persecutors around the world are determined to stop the evangelism and discipleship of children.

# PRAY...

---

...that persecuted Christian parents and church leaders will boldly disciple children despite opposition.

# PRAY...

---

...that as children grow  
in spiritual maturity and  
obedience, they will  
become faithful witnesses.

More than 500 million people worldwide are trapped in the spiritual darkness of Buddhism.

# PRAY...

---

...that they will experience the truth that Christ is the light of the world (John 8:12).

# MY PRAYER TODAY

---

Heavenly Father, inspire me through the example of our youngest persecuted brothers and sisters to boldly shine the light of Christ to those I know who are trapped in spiritual darkness. Amen.
